TTA - Tren Turístico Arenal

A 160 kilómetros de San José y a la orilla del idílico Lago Arenal, existe un pedacito de tierra que pudiera ser confundido con cualquier lugar de los prealpes europeos. Allí se encuentran chalets, establos, hotel restaurante, una capilla y hasta un trencito con estación, puentes y túneles, todo al estilo auténtico suizo. Ideal para sus vacaciones, celebrar su matrimonio y descansar, desde donde, además pueden planear excursiones diarias.

About 160 km Northwest of San José at Lake Arenal you will find cozy little Switzerland in between of mountains, volcanos, hot springs and a fascinating natural wildlife. Real Swiss chalets, dairy-barns, a little church and even a small train with a station, bridges and tunnels will make you feel like in a dreamland. Ideal for vacationing, relaxing or just having a stay with us.
